

Morisset High School Student Assistance Scheme Application

The Student Assistance Scheme (SAS) is a limited fund, provided to support students attending New South Wales government schools. The scheme enables financial assistance to be provided to eligible families for school related expenses. These expenses include, but are not limited to, such things as: school uniform, textbooks, school excursions or related costs, school camps, subject specific costs. It is not possible to fund the Administration Charge, school formals or school jerseys from this scheme. Any student eligible for Youth Allowance (full time students aged 16-24) will generally not be assisted from the SAS as payments from Youth Allowance may be used for the same purpose as the SAS. In a number of situations, should the application be successful, funds may be simply transferred within the school accounts to pay for the need.

To assist the school in processing applications you are asked to provide (in confidence) income details and an outline of your circumstances. Please be assured that this information is kept in the strictest confidence.
